

August 11, 2018
Humane Society of NWPA

Dear Friends of the Humane Society,

The Humane Society of Northwestern Pennsylvania will be celebrating its 2nd Annual "Woofstock" event on Saturday, August 11, 2018, from 12-5PM. This year's event is sure to be a day for the dogs! We invite you to join us in the day's activities and help us to promote pet adoptions and responsible pet ownership.

Enthusiasm for Woofstock continues to grow, especially with the number of fun and educational activities we have planned for visitors of all ages and breeds. There will be an area for vendors selling arts/crafts, pet products, beer garden, children's activities, live music, agility demonstrations as well as pet friendly activities for community members and their four-legged friends!

As always, we will feature the various dogs and cats available for adoption, with adoption incentives and discounts in our gift shop.

Please consider participating in this day of fun, promote your cause, product or service, all while supporting the pets of the Humane Society of NWPA. Display areas are outdoors, and each vendor is required to provide a 10x10 tent with their own tables and chairs. The vendor fee for the entire day is \$100.00 (\$75.00 for non-profit organizations). **We are asking all participating vendors to consider donating an auction basket or item for inclusion in our chance raffle.** If you do not want to host a vendor booth and would like to donate a raffle basket please indicate so on the attached form.

Thank you for supporting the mission of the Humane Society of NWPA and helping us to "Rescue, Rehabilitate & Rehome" the needy animals of our community. We look forward to seeing you at Woofstock!

Warm Regards,

Nicole Bowol

Executive Director
Humane Society of NWPA
